

The Summit Academy South Parent Contract 2021-22

Family Last Name(s) _____

Handbook Acknowledgements:

_____ I have read and agree to hold my students accountable to abide by the “Summit Academy South Values.” I have shared these values with my student(s) (Handbook, p. 5).

_____ I have read and agree to abide by the guidelines under the “Parent Requirements” section of the “Guide to Course Descriptions” (Handbook, p. 8).

_____ I have read “Course Type (Supplemental vs. Stand Alone Classes)” (Handbook, p. 9). I understand the difference in purpose between these two categories of classes and acknowledge that when my student enrolls for a “Stand-Alone” class, they are completing a full academic year’s worth of coursework that could be similar in quantity to a class in a traditional public school.

_____ I have read the “Attendance” section in the handbook and understand the procedure for reporting absences, late arrivals, and early pick-ups (Handbook, p. 15-16).

_____ I have read the “Cell Phone and Electronic Device Use” policy and have reviewed it with my student(s) who have personal devices (Handbook, p. 16).

_____ I have read the “Dress Code” and have reviewed it with my student(s) (Handbook, p. 17).

_____ I have read the “Volunteer Commitment” section of the handbook and agree to fulfill the volunteer position assigned to me based on my preferences. I understand that if I do not fulfill my volunteer requirements, I will be assessed a “buy-out” fee of \$300 that must be paid in cash by October 1, 2021 (Handbook, p. 20).

_____ I agree to choose a volunteer position in early August when the information is made available and to fill out the “Volunteer Agreement Form,” to be turned in by Launch Day, August 26, 2021 (Handbook, p. 20).

_____ I have read the “Health Policies” and understand that if the appropriate health paperwork is not on file by the deadlines listed, my student will not be allowed to attend classes. In addition, I acknowledge that NO medication may be carried by my student (except an inhaler or EpiPen with the appropriate paperwork on file) (Handbook, p. 21-23).

_____ I acknowledge that the deadline for the medical paperwork and Volunteer Agreement Form is Launch Day, August 26, 2021.

The Summit Academy South Parent Contract 2021-22

SAS Community Acknowledgments:

_____ I understand that Summit Academy South will communicate via email, weekly e-newsletters, Schoology, and student Gmail addresses. I agree that I am responsible for the information communicated to me via these platforms. (For more information, see Handbook, p. 19-20.)

_____ I understand that Summit Academy South may need to communicate with me via phone or email, and I agree to keep my information current using the Jeffco Connect database.

_____ I understand that, by enrolling in Summit Academy South, I am partnering with SAS to provide educational options for my student(s). I understand that a teacher in a one-day program is not a substitute for the daily support of the primary teacher at home. I acknowledge that I am the primary educator of my students, and therefore my involvement in my students' SAS classes is expected and necessary.

Registration Acknowledgements:

_____ I understand that my student may not "audit" classes; that is, they must complete the homework for the classes for which they are enrolled.

_____ I understand that if my student is not placed appropriately for the level of a class, teachers and the administration will work with me to reassign my student to an appropriate class, which will sometimes result in a broader schedule change.

_____ I understand that our course descriptions have changed this year. Classes now fall under two categories: stand-alone and supplemental. As a result the course rating system is no longer used, but homework hours per week and parent requirements categories have been added.

_____ I acknowledge that I have read the descriptions, requirements, and prerequisites for the classes for which I am registering my student(s) and am agreeing to cooperate with the given homework time requirements and parent involvement requirements.

_____ I agree to hold my student accountable to complete the homework required for each class.
